

Chelsi Campbell has grown up in Holland, NY for the majority of her life. Currently she works at her family's restaurant Whelan's Colden Lakeside in Colden, NY, and also provides childcare on the side. She has danced since the age of two and has studied many different styles of dance including: Ballet, Tap, Jazz, Hip Hop, Contemporary, Modern, Lyrical and Stepping. Chelsi started competing at the age of 4 and continued to do so until she graduated high school. She started her training in Niagara Falls, Ontario at Laurie Ewarts Danceworks where she danced for 15 years and continued to dance throughout her 4 years of college at the State University of New York at Fredonia, where she graduated on the Deans List with a Bachelor of Arts Degree.

While attending Fredonia, Chelsi was a member of the student-run dance company on campus, Orchesis, and was even the secretary on their Executive Board for 2 ½ years. She also was on the first official Hip Hop team created at Fredonia, Envied Xpression, for three years. Not only does Chelsi has experience in dancing but she is also a well-rounded choreographer. She has choreographed multiple dances for Envied Xpression, and Orchesis, ranging from 3-12 dancers. For her senior piece last spring, she choreographed a six-minute production number, which included four different styles of dance in it, and was performed three times.

Chelsi is extremely excited to get started at EPIC Dance Center and is very thankful for this opportunity right after graduation.
